Legal Staff
International DivisionPETITION TO REVIVE

Pursuant to 37 C.F.R. § 1.137(a), Applicants respectfully request that this application be revived. Its abandonment was unavoidable. The reasons for this Petition are as follows:

1. On 28 March 2000, the Patent and Trademark Office notified the undersigned attorney that an application bearing a Serial No. 09/308,860 was abandoned for failure to respond to a Notice of Missing Requirements mailed on 17 June 1999. A copy of the Notification of Abandonment is enclosed as Exhibit A. The Serial No. 09/308,860 is apparently a wrong number. All of the other information (which, unfortunately, is out of register on the form) is correct. The first-named applicant is McKechnie. Our attorney docket No. is 08291/600001. The PCT International application number is PCT/GB97/03317. And the first priority date is 4 December 1996.

2. A Form PTO 1390 for entering into the United States National Phase was sent to the Patent and Trademark Office by Express Mail on 26 May 1999. It was

accompanied by a postcard, but the postcard was never returned. A copy of the form is enclosed as Exhibit B.

3. On 3 November 1999, Applicants filed a Status Request. A copy of this Status Request, together with its accompanying documentation is enclosed as Exhibit C. The documentation includes a copy of a return-receipt postcard stamped with the Serial No. 09/423,399. This is the serial number which we are using in this Petition.

4. The Notification of Abandonment referred to a Notification of Missing Requirements mailed on 17 June 1999. No Notification of Missing Requirements was ever received in this office. A copy of our docket records for the period 17 June 1999 through 6 July 1999 is attached hereto as Exhibit D. These records are entered by the Fish & Richardson docket number which, for this application, is 08291/600001. As can be seen, there is no entry under this number showing receipt of anything from the PTO.

5. Furthermore, we have no record of handling any application bearing the Serial No. 09/308,860.

It appears that there has been a misassignment of serial numbers in the Patent and Trademark Office and that, as a result, this application has become abandoned. Under the circumstances, the abandonment is, from Applicants' standpoint, unavoidable.

A check in the amount of \$110.00 as required by 37 C.F.R. § 1.17(l)(1) is here enclosed.

In connection with fees for this application, Applicants were wrongfully charged amounts of \$234, \$216 and \$970 – totaling \$1,420. A Request for Refund was filed on 3 January 2000.

Respectfully submitted,
